Your accommodations, training and most activities will be focused within 30 minutes of Montego Bay's airport and the Trelawny Stadium, our game day venue, which is located in the same Rose Hall-Falmouth area.

Jamaica can be enjoyed by people with various tastes, preferences and economic backgrounds. We pride ourselves in our state-of-the-art facilities, conference centers, golf courses, five-star hotels and resorts. This Bowl game, and your daily training with our players, will be a major catalyst for the growth of the sport in Jamaica. We have plenty of Interest among Jamaican youngsters and families, but need more hands-on education and experience with American coaches and players.
