TESTIMONIALS

"All I know is that we took, with your help, 140 Hamilton High School students to Ireland and back, and they had the time of their lives! They continue to talk about the experience and will do so for years..."

- **Dick Baniszewski, Hamilton High School Director of Athletics**

"Duck McDonald has been with Father Judge HS for 39 years...and was part of our Ireland trip. He believes that the trip and experience may be our school's greatest moment! Thank you for this opportunity. Kudos to you and everyone with Global Football and Anthony Travel."

- **Tom Coyle, Father Judge High School Head Coach**

We were blessed to join the original 2012 trip to Dublin as our Loyola Academy Ramblers played Dallas Jesuit as a part of the Friday Night Lights line up. This was a once in a lifetime experience for many of our Ramblers and we are so thrilled we took advantage of the opportunity. The team from Global Football exceeded all expectations and their willingness to work with our schedule made for a memorable experience for our student athletes, coaches, parents, the band, golf team, and any Ramblers who journeyed to Ireland. We will continue to encourage other schools to be a part of these special events.

- **Dennis Stonequist, '90 Loyola Academy Executive Vice President**

"Another amazing job from you and the entire Global Football and Anthony Travel team! The event in Ireland will long stay in the hearts and minds of players, staff, parents and alumni of JCU. We were thrilled with the entire experience, and the fans at Donnybrook were incredible... Can't wait to go again and play football somewhere special!"

- **Regis Scafe, John Carroll University Head Coach**
