

30 YEARS OF GLOBAL FOOTBALL HISTORY

Global Football operates under the direction of President and Founder, Patrick Steenberge. A native of Erie, PA, he played quarterback under Coach Ara Parseghian at the University of Notre Dame, while earning his marketing degree. He boasts more than 50 years of business background, having focused on special events creation and production, international travel, communications, motivational speaking in English & Spanish, marketing and consulting.

"Our 2024 National Championship drive began in Ireland last May with the season's 1st victory. We won our very 1st Conference Championship following the 2006 Italy trip. In 2019, our first National Championship season began in Prague, Czech Republic. This works! Patrick and Global Football make the trip and process easy for us."
